New Danville is a nonprofit, rural community for adults with intellectual and developmental disabilities, established in 2005 in Willis, TX. New Danville's mission is to provide these adults (Wranglers) with an opportunity to live enriched and purposeful lives. They are empowered to live, learn, work and grow in the communities of their choice.

New Danville's Development Director, Dion McInnis, will present insights through stories and images that will provide 15 basic rules to live by that will transform your perspectives and life.

Perfect for organizations and associations, events or lunch-and-learns, chambers of commerce, civic or social groups. Though the presentation is offered free of charge, donations to New Danville are appreciated.

Contact Dion McInnis to bring *Live, Learn, Work, Grow...Wisdom from Under the Windmill* to your meeting or event by emailing Dion.McInnis@NewDanville.org or calling 936-253-5757.
